

Antimony Elementary
Community Council Meeting
May 11, 2023
Thursday 3:30 pm

* Meeting was originally scheduled for Monday, May 1. It was rescheduled for May 11 due to schedule conflicts with members.

Agenda:

- Approve minutes from last meeting
- Review, Finalize, and Approve Trustland report to submit to the school district by May 15.

Meeting began at 3:45pm

Members present: Ashley Oyler, Marissa Grimm, Keshia Gleave, Janette Lee, and Robin Gibbs

- Minutes were read and approved from the last meeting.
- Members were shown the plan. Modifications were made to goal #1. We decided to not purchase a second science program and to only get Mystery Science. The district, however, may purchase it for the district. If this occurs we decided to use the extra funds and give the staff extra hours to work on the library during the summer. Members agreed with changes. (Brittney Montague was not in attendance, however, she was shown the plan prior to the meeting and voted to approve the changes).
- Short discussion was held regarding what the USBE said about our potential 4 day school week. Robin told the member that the superintendent would be helping with the process and there is a lot of work to do, and will keep them posted.

Meeting adjourned at 4:30pm
