- We could not create and vote on council member positions due to only 5 members present. Robin Gibbs will reach out to parents to join the committee.
- Mr Peterson asked the two parents in attendance for comments about how the school is doing and any comments or suggestions. One parent mentioned that she would like for there to be more personalized communication on how her students are doing in school throughout the school year and not just at parent conferences. She felt that as a school we are communicating well in School Binder.
- Antimony is a small school and as a group we chose to have 3 meetings a year.
 - September 28, 2023
 - January 8, 2024
 - March 4, 2024
- Discussion was held about the funds for the 23/24 plan. Adjustments need to be made for Goal #1.

- The \$395 was not spent due to the school district buying Mystery Science.
- The funds need to be moved to Goal #2 for para hours. Paras worked over the summer and have been paid for their time.
 - All members present agreed and approved this change of expenditures.

*Robin will reach out and email Holly to help with the budget change.

- Mr Peterson asked us what are some things that we need. A short discussion took place about finding some surplus bookcases or shelving to put in our library.

Meeting adjourned at 4:55
